

PRESS RELEASE

LOCAL COMPANY ON THE WAY TO BUSINESS GLORY

Winner
2014

Perfect Pergolas, based near Cirencester, has been awarded a Scoot Headline Award in the National campaign to find Britain's most successful companies.

They competed against more than 400 other nominations in the Awards, and they will be presented with their winning trophy and certificate at a glittering presentation ceremony in Millbank Tower, London on April 28th.

Adrian Valentine, managing director, said "It is a fantastic achievement to win this award, following on from our successful Theo Paphitis #SBS winning entry last year, and I'm extremely proud of everyone who has been involved in getting Perfect Pergolas to this level – but unless the dreadful weather improves all the awards in the book will not make potential customers buy a pergola!"

Perfect Pergolas only use timber from sustainable sources and offer a 10 year guarantee. Ordering is simple and straight forward and can be done via the website and the pergola is delivered free of charge to the customer together with all the necessary fixings for a quick and easy assembly.
